

Wireless Printing For All Mobile Devices

Send from Home or in the Library

Instructions for All Mobile Devices
(Including Laptops, Tablets & Smartphones)

Method 1: Send As Email Attachment

Login to your email account and send/forward an email with the document to be printed as an attachment to any of two printers:

- Black and White: sal-cl-bw@printspots.com
- Color: sal-cl-cl@printspots.com

Only the attachment will be printed. This will send your print job to the Xerox printer at Saluda County Library.

Method 2: Upload to Web Portal

1. Go to <https://www.printeron.net/sal/cl>
2. Select one of the two library printers to print to:
 - Black and White
 - Color
3. Enter your email address.
4. Select document:
 - **If printing a document from your computer:** click *Browse* and locate file.
 - **If printing from a website:** copy and paste the website's url into the text box.
5. Click the gray "play" button to print. This will send your print job to the Xerox printer at Saluda County Library.

Method 3: Download App

Download the "PrinterOn" app from your play store.
